19th Annual Primary Care Symposium

Join us for a multidisciplinary approach to wellness, new therapies, disease prevention and management. Our upcoming primary care symposium will provide concise, comprehensive information for the clinical practitioner addressing primary care updates in hyperparathyroidism and osteoporosis, current therapies in treating heart failure, cardio-oncology in primary care, sports medicine, wound care, obesity medicine, opioid diversion and new drug updates.

For Physicians and Advanced Practitioners Registration is Required

\$50 includes breakfast, lunch and education credits. Call (843) 402-CARE (2273) or visit rsfh.com/symposium.
